

Massapequa SEPTA

Dear Staff Members:

As you begin a new school year, we hope you will consider joining Massapequa Special Education PTA (SEPTA). You probably find that at least one (if not many) of your students has some kind of disability, and information on that disability is available through SEPTA. We all know that knowledge *is* power and by empowering yourself, you will be able to be the best teacher, service provider or support staff you can be for all students.

SEPTA represents all students who receive special education services in our district and their families, in all 9 buildings. Our SEPTA volunteer Teacher Liaisons this year are: Nancy Kohlhoff, Joyce Larkin, Mari Heineman, Christine Racite, Susan Bies, Savrena Riddle, Coleen Morvay and Nicole Schnable. We hope you will reach out to them in you have any concerns or need any assistance.

Your membership in SEPTA enables us to: bring information to the community through speakers and literature, as well as sponsor events geared to the abilities of students.

Please place the tear out below in an envelope marked: "SEPTA Membership" and include **\$8.00** cash or check made out to: **Massapequa SEPTA** and place it in the SEPTA mailbox in your school's general office. Please contact: Sandra Donovan, 799-9849, tsjmrottie@msn.com with any questions. Thank you in advance for you support.
